CORBY

ABOUT THIS PRODUCT

The Durham Holder is a wall-mounted storage solution designed to neatly and securely accommodate all Corby hair dryers and garment steamer. Built with a durable, rigid construction, it features clear universal icons for easy identification. It features anti-scuff protection to maintain your hair dryer or steamers appearance, and concealed fixings for a sleek, seamless finish. The detachable anti-theft component adds security without compromising convenience, making the Durham Holder an ideal choice for any hotel guest room.
