ABOUT THIS PRODUCT

The Sherwood 1200W Dry Iron is the ideal solution for hotel guest rooms, designed for efficiency and safety. Its non-stick soleplate ensures smooth ironing, while the compact and lightweight design makes it easy to handle and store. Featuring an adjustable temperature dial, it provides precise control for different fabrics. The hotel safety iron includes a 3-way auto cut-off feature, ensuring peace of mind by automatically turning off after use. A perfect blend of reliability and convenience, the Sherwood 1200W Dry Iron is tailored to meet the high standards of hotel guests.
