ABOUT THIS PRODUCT

Elevate your guests' comfort with the Tower Fan, designed to deliver a refreshing breeze in any hotel room. Featuring a sleek, compact design, this floor-standing fan offers 70° rotation for optimal air circulation. With easy-to-use manual controls and three adjustable speed settings, it provides personalized comfort for every guest. Ideal for enhancing the atmosphere of your rooms without compromising space, the Tower Fan is the perfect blend of convenience and performance for any hotel setting. Make every stay more enjoyable with this must-have amenity.
